The Lourdes Hill College Cross country squad attended Thunderbird Park for a 3 day camp experience with the aims of team bonding, fitness and fun. All three of these goals were exceeded with the help of the wonderful staff, facilities and surrounds of Thunderbird Park. From all accounts it was one of our best ever camps, thanks Thunderbird Park, we will definitely be back again in the future.

Additional Comments

The students really enjoyed their time at Thunderbird Park camp-it was a wonderful outdoor experience for these Chinese students who would not normally have such experiences in their own country.

Testimonial

Our Chinese students found Thunderbird Park both a learning and a fun experience. The facilitators were wonderful and ensured that the students were looked after in all areas, physically, socially and emotionally and educationally. When they returned to school, they all wrote reflections which demonstrated their enjoyment of every activity at the Park, but especially the Mud Course and the Thunderegg Fossicking. All accommodations were very comfortable and the food was plentiful and delicious. The beautiful weather also helped to make our stay a memorable one!
